

Theology Threads | Season 7: Episode 2 Notes | Integrity Defined

Summary

It's Episode 2 in our series titled the Blueprint Of Wisdom! Today we examine the pillar of "integrity". I think we can all agree that integrity is something that is vitally important to all of us. It is the foundation of who we are and how we interact with this world. Even when we struggle with our own personal integrity we want those around us to be trustworthy. Dr. Brian Jenkins guides us through the Proverbs and helps us understand how they can challenge and strengthen our personal integrity today!
